HEALTH LAW PRACTICE GROUP

Our Health Law Practice has served the legal needs of health care providers for over a century. Our firm's sophisticated national practice and well-established general practice at the local and regional levels allows our Health Care lawyers to serve a broad client base, including:

- Hospitals
- Physicians
- Health care professional associations
- Home care providers
- Ancillary service providers
- Provider networks
- Physician practice management companies
- Health care consultants
- Employers from the Washington-Baltimore, Northern Virginia area and across the nation

We are proud of our team of lawyers whose knowledge and expertise continue to enable our health care clients to prosper in highly competitive environments. Our clients' varied needs demand a multi-disciplinary approach. Our understanding of the health care industry and its regulatory infrastructure is just the beginning. We also know how to:

- Handle mergers and acquisitions
- Structure health care financing
- Devise long range business plans
- Structure joint ventures and other provider collaborations
- Deal with critical employment issues
- Negotiate deals, contracts and other transactions
- Litigate difficult situations successfully when necessary

Our Health Law Practice's expertise includes:

- General corporate and business counseling
- Corporate structuring and internal governance
- Contract negotiation
- Mergers and acquisitions
- Financial and other transactions
- Tax
- Tax-exempt counseling
- Managed care contract advice and negotiations
- Regulatory compliance
- Antitrust
- Creative malpractice risk coverage counseling and captives
- Medical malpractice defense
- General litigation
- Employment counseling and litigation
