**Washington, DC; August 4, 2009** – Jackson & Campbell is proud to announce that three of its attorneys have been named to the 2010 edition of Best Lawyers®, the oldest and most respected peer-review publication in the legal profession.

David H. Cox (Real Estate Law), Nicholas S. McConnell (Medical Malpractice Law and Personal Injury Litigation), and James P. Schaller (Commercial Litigation) have been named "Best Lawyer" in their respective fields.

Best Lawyers is based on an exhaustive annual peer-review survey. For the U.S. edition, more than 24, 126 leading attorneys cast more than 2.8 million votes on the legal abilities of other lawyers in the same and related specialties. First published in 1983, Best Lawyers is called "the most respected referral list of attorneys in practice" by Corporate Counsel magazine.

This is the first year that Mr. Cox is named a "Best Lawyer" in the area of Real Estate Law. As co-chair of Jackson & Campbell's Real Property and Asset Management group, Mr. Cox has developed a reputation as an effective negotiator, advisor, and litigator, having successfully resolved a myriad of issues arising out of various corporate as well as commercial and residential real estate matters.

Mr. McConnell has been named a "Best Lawyer" in the areas of Medical Malpractice Law and Personal Injury Litigation for 16 consecutive years. He has over thirty-five years of courtroom experience, including retention as counsel for the area's major hospitals to defend their most complex, high exposure cases.

This is the third year Mr. Schaller was named a "Best Lawyer" in the area of Commercial Litigation. Mr. Schaller has handled cases in a variety of areas, from medical malpractice to the toxic and environmental insurance coverage matters in which he largely specialized for nearly two decades to the representation of other lawyers and law firms in legal ethics, unauthorized practice, and disciplinary matters.
