**Washington, DC** – Liz Medaglia, Director and former Chair of the Liability Insurance Coverage Practice Group at Jackson & Campbell, P.C., recently was interviewed on Sky Radio Network’s Program: America’s Most Influential Women in Government, Technology, Business and the Law. Sky Radio Network (SRN) produces business, technology, health, and entertainment programming for major airlines, informing passengers of major business trends. “America’s Most Influential Women” is one of SRN’s radio programs that highlights some of the world’s most remarkable women who have redefined American business, science, law, and social policy in the 21<sup>st</sup> century. This program will be broadcast on all of American Airlines’ 29,000 worldwide audio-equipped flights, as well as on the website of Sky Radio Network, beginning later this year.
