

Nicholas S. McConnell
Named “Lawyer of the Year”
by D.C. Defense Lawyers

September 2005, WASHINGTON, DC – Nicholas S. McConnell, Chair of the Health Law Practice Group, and Director in the Business Law and General Litigation Practice Groups at Jackson & Campbell, P.C., has recently been named “Lawyer of the Year” by the D.C. Defense Lawyers Association. Recognized by *Washingtonian* magazine as one of the leading hospital and professional liability defense attorneys in the Washington region, McConnell is admitted to practice in the District of Columbia, Virginia and Maryland and has over thirty years of courtroom experience, including retention as counsel for the area’s major hospitals to defend complex, high exposure cases. A frequent writer and lecturer for continuing legal education and health care risk management programs, McConnell has served on the DC Bar’s CLE Committee and as a faculty member and Team Leader for numerous National Institute of Trial Advocacy affiliated programs.

McConnell has also been elected a Fellow of the American College of Trial Lawyers and presently serves on the State Committee for the District of Columbia. A past President of the Bar Association of the District of Columbia, McConnell is also an active member of the Barristers, the Counsellors and the Lawyers Club. In addition, he is a member of the Defense Research Institute and serves as President and Trustee of the Tucker Foundation. He and his wife, Nancy, are long-time residents of the District of Columbia and active members of the First Congregational Church – United Church of Christ in the District.

Jackson & Campbell, P.C. is one of the most respected and dynamic law firms in the Washington region. With more than 50 attorneys, and eight Practice Groups in the areas of Business Law, Employment Law, General Litigation, Health Law, Liability Insurance Coverage, Professional Responsibility, Real Property and Asset Management, and Trusts and Estates, J&C attorneys have efficiently served clients’ needs throughout the area for over 100 years.
