Nick McConnell Designated a “Top Lawyer” in Washington

Washington, DC -- Nicholas S. McConnell, a Director and Chair of the Health Care Practice Group at Jackson & Campbell, P.C., has been designated again in the December 2004 *Washingtonian* magazine as a Top Lawyer in the Metropolitan Region. Although there are over 75,000 lawyers licensed to practice in the region, *Washingtonian* winnowed the list to a select group of 780 attorneys for its Top Lawyer honor. Nick was recognized for his work as a civil defense attorney.

Washingtonian uses a rigorous selection process for its Top Lawyer designation, including peer interviews, reviews of accomplishments on behalf of the attorney’s clients and overall excellence in legal skills. The magazine interviews hundreds of lawyers before compiling its list.

Nick McConnell has over thirty years of courtroom experience, including retention as counsel for the area’s major hospitals to defend their most complex, high exposure cases. He has previously been recognized by *Washingtonian* as a Top Lawyer and has also been selected by the *Legal Times* as one of the “Best Lawyers in Metropolitan DC.”
