

US Treasury Department Specially Designated Nationals (“SDN”) “Block List”

<http://www.treas.gov/offices/enforcement/ofac/sdn/>

The screenshot shows a Microsoft Internet Explorer browser window displaying the US Treasury Department's Specially Designated Nationals (SDN) Block List page. The browser's address bar shows the URL <http://www.treas.gov/offices/enforcement/ofac/sdn/>. The page header includes the US Treasury Department logo and navigation links such as HOME, CONTACT US, SITE INDEX, FAQ, FOIA, ESPAÑOL, ACCESSIBILITY, and PRIVACY & LEGAL. The main content area is titled "OFFICE OF FOREIGN ASSETS CONTROL" and features a search bar, a "Back to OFAC Home" link, and a note about downloading Adobe Acrobat Reader for PDF content. The primary section is "Specially Designated Nationals List (SDN)", which includes a link to the "SDN List" (last updated February 8, 2006), a link to "What changed on the list when it was last updated?", a link to the "Text version of the SDN list", and a link to the "Archive of changes to the SDN list". Below this is a section for "Data Versions of the SDN list" with links to various data file formats: ASCII Delimited, Fixed-Width and CSV data files in a Windows operating system 32 bit archive; ASCII Delimited, Fixed-Width and CSV data files in a DOS 16 bit archive; ASCII Delimited, Fixed-Width and CSV data files in a Unix/Linux-ready archive; XML version of the SDN list; and ASCII Delimited, Fixed-Width and CSV data files provided outside of the archive. A final section, "Data Specifications on data formats of the SDN list", is partially visible at the bottom. A callout box on the right side of the page points to the "SDN List" link with the text "Click here for current SDN List".
