

Client Alert: New D.C. Law Narrows the Sweeping Ban on Non-Competes

15 Aug 2022

[Erica L. Litovitz](#)

Following harsh criticisms from the local business community, the D.C. Council has enacted an amendment to the near-total ban on non-competes that was set to go into effect. The amended law, which goes into effect October 1, 2022, prohibits D.C. employers from imposing non-compete provisions on individuals who are not highly-compensated employees. A more detailed look at the amendment is available [here](#).
