Susan Knell Bumbalo, an attorney in our Insurance Coverage group, wrote an article entitled [Examining Insurers' Obligations to Their Insureds Post-Verdict](#), which appears in this month's edition of DRI's *For the Defense*. The article addresses insurer's duty to appeal and issues associated with various issues that arise when insureds/insurers face an adverse jury verdict. The article is a good roadmap and summary of the issues that need to be addressed when addressing appeals. *For the Defense* is DRI's premier monthly magazine that reaches over 20,000 practitioners.
